We have examined the Revenue Sharing Fund Statement of Revenue, Appropriations, Encumbrances, Expenditures and Balance and the Statement of Obligations Incurred of the Town of Harrington for the year ended February 15, 1974 and have compared the financial data for the year ended February 15, 1971 included on Bureau of Census Form RS-1 with audited records of the Town of Harrington. Our examination was made in accordance with generally accepted auditing standards and the "Audit Guide and Standards for Revenue Sharing Recipients" issued by the Office of Revenue Sharing, U. S. Department of the Treasury, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion, the Statement of Revenue, Appropriations, Encumbrances, Expenditures and Balance and the Statement of Obligations Incurred present fairly the revenue, expenditures, obligations incurred and status of revenue sharing funds of the Town of Harrington for the year ended February 15, 1974 in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year. Further, the financial data shown on the Bureau of Census Form RS-1 for the year ended February 15, 1971 is in agreement with audited records of the Town of Harrington.

CONSERVATION COMMISSION

The Harrington Conservation Commission was created by the citizens at the annual Town Meeting in 1974. The Selectmen appointed the following people: Mary Worcester, Leah Parker, Joan Van Auken, Kendrick Randell, Robert Hammond.

The Commission's ranks were reduced by the resignation of Kendrick Randell and Joan Van Auken. The Commission met on numerous occasions to discuss projects. One of the highlights of this year was the granting by the state the sum of \$495.00 to be used in furthering the Village Green. The Commission has some tentative plans for the ensuing year.

The Commission plans to develop somewhat the old ball diamond at Plummer's bridge. Tentative plans include the cutting of bushes, the development of a soft ball diamond, a couple of badminton - volleyball courts, the building of picnic tables, and the creation of a winter skating rink.

Although these plans are preliminary, the Conservation Commission feel it can make a worthwhile contribution. We encourage all to provide ideas and invite you to our meetings.

Respectfully,

MARY WORCESTER

LEAH PARKER
